Recommendation U.74

1) Under "considering", add the following new point:

"(d) that Recommendation F.60bis defines a structure for a telex answerback associated with an intermediate document storage device;"

2) Replace Note 3 to Figure 1/U.74 by the following:

"Note 3 – Printable figures are combination No. 17 (1) to combination No. 16 (0). Spaces (combination No. 31), hyphens (combination No. 1) and equal signs (combination No. 22) are allowed in this field, but are ignored."
