

Best Holidays Ever: To kick off the holiday season, JPG teamed up with **MOO** (an awesome printing company!) to celebrate photos depicting that most wonderful time of the year. All the photos selected successfully whisked us into the holiday spirit, and five of these below will also be included in a JPG holiday card pack sold on the MOO site! Selected photographers will be credited and, for each JPG/MOO Holiday Card Pack that is sold, we will be making a \$4 donation to charity.
